

# Feedback round\_ Bridging Barriers International Workshop 7-8 October

ELENA DE ZEN 07 OTTOBRE 2021 14:08

good to hear different voices. hope in a future exploration more in depth

This workshop gives me the opportunity to consider my work and experience in a wider perspective, that means also a more complex perspective. Confronting with many interesting topics. Thank you to everybody for this good opportunity!

\*\*\*\*\***Thanks to everyone for sharing**

It was very good to meet you all!

I would have liked to have a bit more time for exchange in relation to the input

**Thank you very much! It's a pity I couldn't participate in the whole process, I would have liked to do so and get to know you all better! It's good to share and to see that we are not alone... :-)**

thanks for the invitation! Great to join this interesting, nice and open-minded group for the first time and exchange the diverse (levels of) experiences

**Thank you, many ideas to follows,thank you for exchange..**

Thank you for the opportunity to meet. Is it possible to get a list of the participants? I would like to keep in touch with some of the participants

Let's hope to have other sharing ideas and occasions in other spaces like this especially good practices could be good in an international view, in public and private jobs!

I got many new ideas, views and inputs - I really appreciate your openness

**Thank you very much for your contributions!**
